APRIL 2025

Garnet Super Star

Lindsay DesAutel

Lindsay is one of our Garnet Medication Technicians. She has been part of our awesome Care Staff at the Garnet for 8 months. She joined us because of a friend of hers, Nicole, who is also a Medication Technician, recommended our team to her. Lindsay and Nicole have been friends since they were children- what a friendship! We are truly lucky that she made the decision to be part of our Wonderful Care Staff.

Lindsay is very caring and patient with our Residents. She is a joy to work with, and the Staff and Residents adore her. When new Residents move-in to our community, Lindsay makes it a practice to go and welcome them, see what she can do to help them settle in, and check in on them regularly. She cares very deeply for our Residents and takes extra care to make sure that all are happy and healthy. Her greatest joy after a long day at the Garnet is knowing that she was able to help someone feel better and that they are safe and cared for.

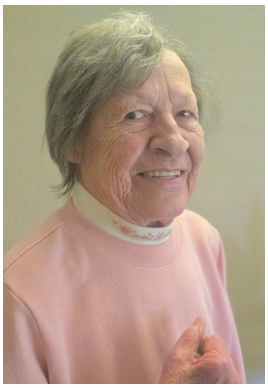

When Lindsay is not here helping people, she is at home with her boyfriend, Xavier. They enjoy relaxing, watching T.V., and going out to eat at restaurants that they have never tried before. The one special thing that they enjoy doing as a couple is building Legos together. So far they have built an Airplane, Semi Truck, and Paul Walker's Car from the movie "The Fast and Furious."

Congratulations to Lindsay for being our Garnet Super Star for the month of April.

We Appreciate All That You Do!

Silver Star Resident

Audrey Erickson

Audrey has been a Resident of the Garnet since January 2025. For her the Garnet meant that she could still be independent and safe at the same time. Audrey really enjoys living here. She likes that the Building is so sunny, beautiful, and clean. Audrey also said, "The people are just as friendly today as they were the day that I came to look at the building." That is important to her. She just wants to be in a community that is fun, friendly, and well kept. The last community that she lived in, just didn't have the same feel and she felt that it wasn't such a good fit. However, she felt welcomed and part of right away at the Garnet. Audrey says she just feels like this is home to her. She expressed that she couldn't be happier, the food is good, the Care Staff is friendly and knowledgeable, the Residents are friendly, and she likes that there are so many Activities to choose from to keep everyone busy.

In her younger days, Audrey owned and operated a Fabric Store in Coeur-d'Alene, Idaho for 8 years. She did A LOT of sewing. "If you want to sell it- you gotta wear it" says Audrey. Besides, business, Audrey enjoys gardening. She loves to be outside and have her hands in the dirt planting. She also enjoys being a mother to her daughter Cherie, and loves dogs.

Thank you Audrey for being our Silver Star Resident for the Month of April.

It's Our Pleasure to Serve You...

A Message from the Executive Director..

Go Figure!

Math is one of those skills that makes life move a little more smoothly. In observance of Mathematics and Statistics Awareness Month in April, take a minute to appreciate the ways math affects you every day.

Cooking. Ever tried to double or divide a recipe? You've used math to measure the right amount of ingredients.

Shopping. If a sale item is 20% off, how much do you take off the original price? Even if you use a calculator, you still need math skills to understand how to get that figure. Thinking about a major purchase that needs a loan? You'll need math for that too.

Traveling. If your doctor's appointment is at noon, it takes you 30 minutes to get there, at what time do you need to leave your home? If you got the answer (11:30 a.m.), congratulations, you just solved a math problem!

"April is a promise that May is bound to keep."

Laugh for Health

Go ahead and engage in a funny, friendly prank on April Fools' Day. A good belly laugh has been proven to elevate mood, reduce pain and boost immunity.

Put Pen to Paper

Celebrate National Card and Letter Writing Month in April by penning a heartfelt note to someone in your life. In today's digital world, the recipient will welcome the handwritten message.

Self-Care Corner: Sparkle and Shine

Spring cleaning as self-care? Mental health experts say so. Since our surroundings have a huge impact on our outlook, creating a clean, tidy space can banish a bad mood, help us sleep better and even count as cardio. If you need a quick boost, focus on one task such as putting fresh sheets on your bed or organizing a kitchen drawer.

Memorable Melody: 'The Bunny Hop'

Bandleader Ray Anthony wrote this jazzy ditty in 1952 after hearing that high school students in San Francisco had come up with a new conga line dance called "The Bunny Hop." The lyrics of Anthony's song, crooned by Tommy Mercer and Marcie Miller, instruct listeners to "put your right foot forward, put your left foot out, do the bunny hop!" The song and accompanying dance were popular at parties throughout the '50s, and to this day, as soon as the tune's melody begins at a wedding or other celebration, guests know what to do: hop, hop, hop!
