A word from our Executive Director

Friendship is such an important part of our lives and our well- being. Especially as we begin to age, it can be very comforting to know that you have a friend to share our joys and laughter with. It can be even more important to have someone to share your tears and sorrows with.

Forming friendships as an adult is important. Don't Hesitate, Get out there, meet some people and begin to build those vital friendships with our many helpful and caring Residents here at the Garnet.

Silver Star Resident

Paul & Emmy Banwart

Paul & Emmy have been part of our Garnet family for 2 months now. They are really enjoying their new home here and have been making lots of new friends. When I asked what they liked about living here, Emmy answered, "I Don't Have to Cook!" Paul followed with "The Bad Part is, I'm Gaining Too Much Weight!" These two are quite the pair. They are fun loving, happy, jovial, and love joking around. Spending time with them is so fun! Previously, Emmy was a 1st grade Teacher who became a Certified Librarian for 32 years. Paul was a Trucker who did Long haul & Local by trade. He hauled anything & everything to everywhere. He has delivered to 48 US States. Once he retired, he and Emmy spent the next 11 yrs revisiting those 48 states together.

What a perfect time for this pair to be chosen as Silver Star Residents for June, as they both celebrate Birthdays as well as celebrating their 63rd wedding anniversary June 30.

Congratulations & Welcome!

Just For Fun!

1. I am a day in June, not long or too soon, when children honor a man, what day could I be, if you guess, you will see?
2. I am a flower, pink or white, blooming in June's soft light. Often given to show care, found in gardens here and there. What am I?

1. Father's Day / 2. A Rose
